Lincoln-Way Band Will Give Concert Jan. 26

As Lincoln-Way high school has been in existence for the past ten years, the concert band there will present a special anniversary concert for its winter program, Sunday, Jan. 26 at 3 p.m. in the school auditorium. Advance ticket sales, at 75 cents for adults and 35 cents for students, are now being conducted by members of the band.

Invitations have been issued to former graduates who were enrolled in the band during 1953 to 1963. During the last part of the program the invited guests will be honored when the band will play short

selections pertinent to "remember the year".

The concert band has had the distinction, for the past two years, to hold the title as state champions and has been playing under the direction of Robert Taylor since its beginning.

In 1953 the band consisted of 30 members and today the enrollment is over 100 which necessitated in forming a cadet band, now being directed by Richard Johns.

Following the concert a reception will be held in the cafeteria to which everyone is invited.

L-W Five Scores First SWS Victory Of Season

BY GREGG FANT

The Lincoln-Way Knights, paced by some balanced scoring and good defense, defeated the Reavis Rams on their home court by a final score of 52-39. This win gave the Knights a 1-5 conference record and a 2-11 over-all record.

The Knights were led by Howard Grimes and George Jorgenson, who paced the Knight attack with 13 points apiece. The Rams were led by Bob Bonarigo who scored 12 points. The Knights shot 44% from the floor while Reavis made 31% of its tries from the hardwood.

The Rams almost matched the Knights basket for basket at the beginning as they trailed by only three points at the half. But the Knights took command in the second half as they pulled away from the Rams to score their second victory of the season. Their other win was against a downstate team, Pittsfield, whom they encountered in the Paris Holiday tournament.

The sophomore Knights scored their second conference victory of the season by defeating the Rams 33 to 25. The Sophomores have now won two and lost three in conference play.

This week the Knights travel to Homewood to take on the league leading Vikings in their

Hire Firm Of Architects For N. Lenox School

The board of education of New Lenox School District 122 has employed the firm of Alexander, Borkon, Westphal, and DeYoung of Joliet for architectural services for the new school building program now being studied for the school district.

Studies of enrollments and enrollment projections of the New Lenox school district show that all existing rooms in all buildings will be in use to house 1,389 pupils expected to enroll in September, 1964. Further study reveals that approximately 12 additional classrooms will be needed to adequately provide for expected enrollments.

This will require the use of present kindergarten rooms at the Cherry Hill, Oakview, and Haven Schools for regular classrooms for primary grades, and establishing kindergarten rooms at outlying centers, Marley and Reiter.

Frankfort Bank Gets Thanks Of Will County 4-H

The Frankfort State bank is one of four in Will county to receive recognition for contribution to the Illinois 4-H Foundation.

Certificates were presented by Will county 4-H members to the bank's representatives.

Bill Rab, of Monee, made the presentation to the Frankfort bank's official, Charles W. Wetzel, executive vice president.

The other banks so honored were the Farmers State, of Beecher; First National, of Manhattan, and the Peotone State bank. Presentation of the certificate to the Manhattan bank was made by Dale Meyer, of that community, to James A. McGarthy, executive vice president.

Webster E. Bay, Will County Assistant Farm Adviser, reports that the Illinois 4-H Foundation is a means of providing many trips and awards for 4-H members on the state level.

Hope For FAI-80 Contract Lettings In Spring

Letting contracts for any of the structures authorized for Interstate Highways 80 between Joliet and the Will-Cook county line near Tinley Park is not likely to take place before late spring or early summer at the earliest.

This was the information obtained this week from the district state highway office at Elgin.

Some weeks ago it was announced that actual work on the missing link of FAI-80 between Hazel Crest and Joliet was to finally begin in 1964. In 1962 the state highway department said the work would begin in 1963. In fact it was stated at that time that the grading for the highway and the

grade separations and interchanges were scheduled to be completed by the end of 1963.

Some weeks ago it was announced at Springfield that actual work on the highway would be started east of Joliet this year, the inference in the story being that there would be an early letting of contracts.

At the district office, however, it was said there is still some details to be worked out on some of the designs of the structures and then there is the question of acquiring right-of-way. It will be necessary to have the right of way before work can be started, it was pointed out.

It was believed, therefore, that it would be late spring or

early summer before any contracts could be let. If contracts are let by mid-summer, it was said that some of the work would be done before year's end. Should there be delay in the letting, however, say until late summer or early fall, then, it was said at the highway office, it is not likely that any work would be done in 1964.

It is expected there will be crews of appraisers in the area in the early spring with a view of getting the right-of-way question settled. It was said at Elgin that the land owners or tenants would be informed when appraisers arrived to look over the land.

It was about four years ago,

according to persons who have property along the proposed route of the highway, were approached by surveyors who sought permission to run lines for the road. Whether there have been any changes or will be any changes in the route surveyed then is not known, so far as these people know.

"No one has ever said anything to me about right-of-way", one property owner said, "although they did make a survey about four years ago which indicated that the proposed highway would cross my land. It would be nice to know if the state still wants right-of-way".

Cost of the right-of-way, like the cost of the highway and all the structures and grade sep-

arations, service roads and the like are to be borne by the state and federal governments, with the federal taxpayers coming up with 90 per cent of the price.

FAI-80 is part of the federal road system designed to aid the defense of the nation and will connect the east coast to the west coast. By using tollways FAI-80 has come as far west as Hazel Crest from the east. There are some isolated sections built to the west but regarded as one most needed is the link between Hazel Crest and Joliet.

If the road can be extended to Joliet it can make a connection with U.S. 66 that will give it passage west until FAI-80 is completed, it was pointed out,

L-W Board, Committee Seek Planner's Views On Sites

Dr. Harold Mayer, geographer and planner, from the University of Chicago, will address the Lincoln-Way high school board and citizens site committee at a meeting in the school the night of Jan. 27.

The school board is confronted with the task of selecting a site for an additional high school to meet the growth of the district. The new school will be needed in 1967 or 1968, it was agreed.

A citizens committee made up of representatives from the various sections of the district is now conducting a study of the problem and it is expected that it will be ready to report next June.

The site committee met Jan. 6 and is to meet again next Monday evening, Jan. 20, for further discussion and study. At the Jan. 6 meeting the committee talked with Maurice Angland, Burton Breidert, and Lew Loebe, respectively members of the Mokena, Frankfort and New Lenox plan commissions, and Joseph Gregg, a real estate agent at Manhattan. Manhattan does not have a plan commission.

The citizens committee has been gathering information on school needs, population figures and trends, and the development of the communities in the Lincoln-Way district to aid them arriving at a recommendation as to the location of the proposed new school.

At the meeting next Monday, the members will discuss the advantages and disadvantages of a central site.

Transportation costs and access to utilities, including water and sewage disposal are also factors in the problem confronting the committee. When it completes its task it is expected that the board of education will have all facts and

figures at hand to support whatever the recommendation may be.

Whether the new school should be located centrally, say on the present high school campus, or whether it should be placed in some other location is the problem.

Dr. Mayer, who is acknowledged as an authority on planning, and is familiar with the potential of all the areas in Chicagoland, will give the site committee and the school board his ideas on the subject, Dr. Mayer usually commands a large fee for his appearance in such matters but in this instance he is contributing his presence. The only charge he will make is for transportation.

This area, of which the Lincoln-Way district is a part, is the only open stretch around Chicago now, it has been pointed out on many occasions, and should be attractive as location for light industries.

The area population is expected to increase several fold

by 1970 and the schools are making long range plans to be ready for it. It is the hope of school authorities that the industrial use of the area will keep pace with the population growth and thus relieve the tax situation.

Building, operating and maintaining schools on taxes derived principally from homeowners is too much of a burden on the householders, it is agreed by those familiar with the subject. As a result the schools are vitally interested in plans to attract industry.

To this end the high school board and the site committee will be grateful for any advice Dr. Mayer may have to offer. They will also work closely with the plan commissions of the various communities.

Members of the site committee are: Fred Richards, Manhattan; Oren Link, Lincoln Estates; Carl Schonwise, New Lenox; Ralph Dralle, Frankfort, and Paul Schubert, Arbury Hills.

FIRST ARRIVAL in the new year for the area is this young man, Jeffrey Allen Donaldson, the son of Glenn E. and Shirley Donaldson, Bittersweet Lane, New Lenox. With Jeffrey Allen in the picture is his mother. He was born at 6:19 p.m., Jan. 3 in Silver Cross hospital, Joliet, and since he was the first baby born from the area he collects numerous prizes from various merchants and business firms. (Graphic Newspapers photo)

Orland To Trace Sewer Leaks Thru Smoke Tests

Smoke is not always indicative of fire--the old adage to the contrary--Melvin Doogan, Orland Park village trustee emphasized this week, warning residents not to become alarmed if they see smoke rising from the ground or puffing into their homes this week-end.

The village recently purchased a portable blower and necessary fittings for the specific purpose of injecting smoke into the sewer mains. The smoke is generated thru use of a smoke bomb. One type provides smoke for a three-minute period; the other gives five minutes of smoke.

The smoke is introduced in

the main at the manhole, with the manholes on either side sealed off. If there are cracks or crevices thru which surface water may reach the sewer mains--and there always are--such infiltration in rainy periods can add considerable burden to the sewage disposal plant if there are leaks in the sewer mains thru which the surface water may enter.

If there are leaks in the mains the smoke passes thru them and up thru the ground. Repair crews can then dig and according to those familiar with use of the device the leak will be found within a few feet from the spot where the smoke broke thru.

Frances Guthrie Dies; Funeral Is On Friday

Mrs. Frances Guthrie, 52, Mokena, died Tuesday, Jan. 14, in St. James hospital, Chicago Heights, following a brief illness.

Born at Chicago, July 5, 1911, Mrs. Guthrie had resided at Mokena most of her life. Her husband, Lee Guthrie, died four years ago. Mrs. Guthrie had been employed by Illinois Bell.

Surviving are two daughters, Mrs. Beverly Carlson and Miss Susan Hall, both of Mokena; two sons, David Hall, also of Mokena, and John Hall, of Plainfield; five sisters, Mrs. Dorothy Michaels, Mrs. Marguerite Welch and Mrs. Evelyn Sushka, of Joliet; Mrs. Madeline Bar-

enz, Mokena, and Mrs. Frances Sweeney, Chicago, and two brothers, John and Andrew Wachter, both of Chicago; also five grandchildren. Two brothers preceded her in death, Carl and Edwin Wachter.

Removal was to the Hirsch funeral home at Chicago Heights and last evening the body was brought to her home 10918 First street, Mokena. Friends may call there today and this evening. Funeral services will be held Friday morning from St. Mary's church, Mokena, where a requiem mass will be sung at 9:30 o'clock. Interment will be in St. Mary's cemetery, Chicago.

Trustee Doogan said he plans to conduct tests this week-end. Household who see smoke popping out of the ground or into their homes are reminded that the tests have probably reached their neighborhoods. One can be certain that any smoke coming out of the ground is from sewer leaks and right now sudden appearance of smoke in the house can be attributed to these same tests. However, one should always check the appearance of smoke in a house and make certain there is no fire back of it, Doogan pointed out.

The device cost approximately \$300. It also can be used to test new sewer lines before they are backfilled.

LINCOLN-WAY MIXED CHORUS will present a concert next Monday night, Jan. 20, in conjunction with the meeting of the Lincoln-Way area teachers. The meeting is to be held at Lincoln-Way high school. The mixed chorus, which is directed by Tom D. Olson with Michael Cullen and June Swanberg as the accompanists, Soloists at the Monday night program will be Judi Owen, Charles Johnson, and

Cullen, who is also chorus president. The chorus has given concerts at the school, and at Christmas time it appeared on the Rialto theater stage at Joliet. It also has given an assembly program at the school. Since he has been at Lincoln-Way, Mr. Olson has developed some excellent soloists as well as choruses. (Lincoln-Way photo)

Revive Talk Of Building New Mokena Village Hall

The proposal to build a new village hall at Mokena which Mayor Charles Swanberg brought up last year was again called to the attention of the board at its last meeting. The mayor asked Trustee Lawrence

A. Istell and his committee to draft a plan for the acquisition of a site and different methods of financing a village hall. The subject was first brought up last year.

The mayor also asked Istell to work with Village Engineer Ralph Yunker on a plan to complete extension and replacement of water mains and some additional fire hydrants. The two officials were also asked to evolve a plan for financing the suggested projects.

Three bids were received by the board on the proposed purchase of a new squad car. They were held for tabulation and report and final decision was postponed until the next regular board meeting. Cooper & Hostert Ford Agency of Mokena was the apparent low bidder with a net figure of \$1,593.40. The other bid, \$2,050, was submitted by Warner Chevrolet of Frankfort.

An ordinance annexing the property of Robert Niemann to Mokena was adopted by the board. Coming into the village means that Mr. Niemann has to rearrange the downspouts and footing tile on his new home so they will not connect with the sewer.

Fred Steinhagen has been hired by the village on a trial basis, to read and repair water meters. At Steinhagen's request he has been hired on an hourly basis, at \$2 an hour. Trustee Will Tuttle is serving notice on delinquent water users to install buffalo boxes within 30 days. After that time the installation will be made by the village and the cost of the box and labor charge placed against the property owner.

The water committee is to have a meeting to discuss a proposal for the village to own all the water meters and to charge the property owner for all repairs. The village attorney,

Ronald Galowich, suggested the ordinance be amended to require a \$30 deposit and a \$50 charge whenever a new meter is installed.

No policy has been set up by the board yet relative to vacation for village employees.

Trustee Hans Mueller has suggested a street light in back of Carpenter Street school, which will make the total number of lights to be installed eleven. Mueller said Public Service engineers are drafting a plan for presentation to the board.

At the suggestion of Trustee Gary Chase the board amended the village curfew ordinance to conform with the state law. The state law sets 11 p.m. as the curfew hour Sunday thru Thursday and 12 midnight Friday and Saturday. The curfew applies to anyone under 18 years old unless accompanied by an adult.

Mr. and Mrs. William Connell complain that after the water main supplying them is flushed the water remains black for several hours and letting it run to clear it costs them money. Heretofore they were allowed a special rate because of this condition, it was explained, but special rates cannot be given now, the village attorney explained. The board suggested that hereafter the flushing be done at night so the sediment stirred up has a chance to settle.

The village agreed to pay a \$40 bill incurred by Mrs. John Balaz in having water lines thawed. She pointed out that in installing storm sewer tiles in the alley the ditch was not filled properly and as a result her water lines were frozen. The engineer believes that a load of gravel spread in the alley will help the situation and next summer it could be sealed with oil or blacktopped.

Walter Shewski has been reappointed to the village zoning board of appeals. His new term began Jan. 1 and will run five years.

GEORGE M. O'BRIEN

O'Brien Would Be GOP Nominee For Prosecutor

George M. O'Brien, member of the law firm of Gray, Thomas, Wallace and O'Brien, announced he will seek the Republican nomination for state's attorney of Will county. At present he is in his second term as a member of the Will county board of supervisors, serving on the finance, zoning and subdivisions, planning and legislative committees.

He was born and raised in Chicago, the only son of Matthew J. and Isabel Hyde O'Brien. A graduate of Northwestern university, Phi Beta Kappa, with honors, he was called to active duty as a second lieutenant with the Air Force before World War II began, and after 4 1/2 years service, 40 months of which were spent in England, Africa and Italy, he returned to the United States as a lieutenant-colonel in 1945.

While overseas, he served as trial judge advocate for the 12th Air Force general court martial. Upon his separation from the service at the war's end,

he attended Yale law school where he received his degree, in 1947, the year of his admission to practice in Illinois.

In September 1947 he married the former Mary Lou Peyla, daughter of Mr. and Mrs. Louis R. Peyla of Joliet. After practicing law in Chicago for a time with his father's firm, O'Brien moved to Joliet in 1951, where in 1952 he joined the firm of Gray, Thomas and Wallace, in which he is now a partner.

Mr. O'Brien is a past president of the Community Chest, the Red Cross and the George Werden Buck Boys club. He is a member of the Rotary Club, a director of the Chamber of Commerce and the president of the Will County Bar Association.

Mr. and Mrs. O'Brien reside at 900 Western avenue, Joliet, with their two daughters, Caryl Isabel, 14, a freshman at St. Francis academy, and Mary Deborah, 12, in 7th grade at St. Raymond's school.

Palos GOP Women Plan Workshop Before Primary

A workshop timed to provide political education and precinct training before the crucial April primary election is being planned through the cooperative efforts of the Palos Republican Women's Organization and the Palos township regular Republican organization. The two-hour intensive program has been scheduled for 8 p.m., Tuesday, Jan. 21, at the Gordon S. Brown residence, 7630 W. 120th Place, Palos Heights, according to Mrs. Brown, campaign chairman for the women's group which has membership in Palos and Orland. The session will be duplicated again on Thursday, Jan. 23, to convenience all those who wish to attend.

The women's campaign chairman emphasizes the importance of knowing how to work effectively at the precinct level and urges all interested persons in the Palos-Orland community to attend the two-hour workshop, which will be conducted by a representative of Republican Workshops of Illinois. Materials to be utilized during the training session will be available for the use of participants. Since attendance is limited, interested persons are asked to contact Mrs. Brown, Gibson 8-7569, within the next week.

She points out the need for workers and will welcome calls from Republicans who want to work locally before the April primary.

Want To Learn The Guitar? Now Is Your Chance

If you are one of those who would like to play a guitar now's your chance. Beginning Jan. 30 group lessons on this instrument are to start at the Marley church under the auspices of Mrs. Ian Brown, wife of the pastor.

Six lessons will comprise the course for beginners. Later -- sometime in the spring -- another six lessons will be given, it was announced.

Mrs. Brown will be the instructor and those interested may call her for details, including the rental of guitars. Her telephone number, is area code 815, 485-8587.

Get Returns On Sale Of Decals

The first meeting in the new year of the Lincoln-Way Band Boosters will be held Wednesday, Jan. 22 at 8 p.m. in the school.

Ways and means chairman, Conrad Mark, states all decals are now in the mail and sales of the stickers are now being realized with approximately \$500 received as of this week. The proceeds from the decal drive will be used to finance the purchase of needed uniforms and supplies.

Band president, Cecil Baldwin, invites all Booster members to attend the meeting as projects for the coming year will be discussed.

Green Garden

Film To Be Shown At PTO Meeting Tomorrow Night

MRS. KATHARINE HEISNER Telephone: 469-5187

The Green Garden PTO will meet at the school on Friday, Jan. 17 at 8 p.m. Burton Barr the president will preside at the business meeting. A film will be shown.

Hosts are the Ralph Albers, Alvin Ericksons, John Kuses Jr., Richard Yeates and the Norbert Brockmans.

Mr. and Mrs. Richard Borms returned home Jan. 2 after spending a weeks vacation in Boynton Beach, Fla. They were the houseguests of his brother and family, Mr. and Mrs. Reuben Borms.

The trip was by rail and while in Florida they were taken to various places of interest by the Reuben Borms.

The Green Garden Snip 'n Snack 4-H club was called to order by the president, Carolyn Patz.

Goals for 1964 were discussed and it was decided that the girls make Valentine favors for

the childrens ward at Silver Cross hospital, and study Steven Foster as a music project. May 2 is Share the Fun and a family achievement night will be held at the 4-H field either March 8 or 15.

4-H calendars were passed out, songs were led by Pat Morrison, talks were given by Gloria Heisner, stretch material; Jean Heisner, tracing wheel; Helen Ebert, cutting patterns; Beverly Thompson, poem on the flag; a game was given by Barb Palmer and a signature closed the meeting, given by Carolyn Patz.

The next meeting will be held Feb. 8.

Initiates Mrs. Geuther

Mrs. Milton Geuther, of Mokena, head of the home economics department at Carl Sandburg high school, was one of the 29 people in Illinois invited to join Kappa Delta Pi this month. She was initiated into the Alpha chapter at the University of Illinois on Jan. 6.

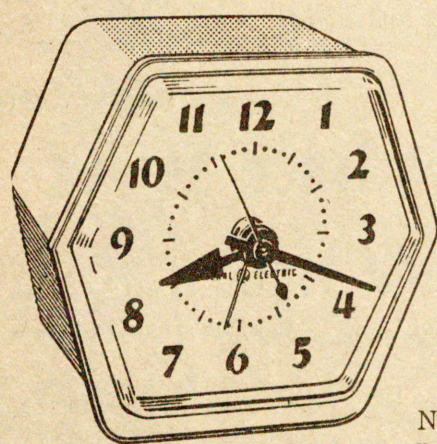

In the letter inviting her to join, Mary Kay Huser, president, said the selection was based on "your achievement in the field of education." Mrs. Geuther was the unanimous choice of the Alpha Chapter of the honor society.

Following the 5 p.m. initiation, a banquet honoring the new members was given in the Illinois Union.

Kappa Delta Pi is an honor society which "encourages its members to a higher degree of consecration to social service. To this end, it endeavors to maintain the highest educational ideals and to foster fellowship, scholarship, and achievement in educational work."

There are more than 160 chapters of Kappa Delta Pi in universities and colleges in the United States.

Business & Finance

BY MAURICE P. ANGLAND
The news and speculation as to effects of the Surgeon General's Panel report on tobacco and cigarettes, is probably causing more individual attention than the situation in Panama.

A leading investment column in Forbes, a couple of weeks ago, briefly discussed the tobacco stocks and the obvious fact that except for short term effects, the sales of cigarettes kept mounting. The column noted that many had expected all information on serious health effects of tobacco, to be "good bye", but now seem to be "good buy" as tobacco stocks.

This analysis of tobacco stocks is reflected in a number of English medical societies who were among the first to denounce cigarettes as a health hazard and Swedish studies, a close second. Both countries had about same experience - a short period of declining sales and then recovery of lost ground.

Analysts note that consumption of cigarettes had been growing at a greater rate than population increases. This growth rate has been slowed and the presumption is that this is due to effects of various efforts to decrease number of young people who take up the habit.

Panama Canal situation - this has long been considered as a serious problem in the country's transportation pattern. It is surprising that more authors have not been in the popular magazines with speculation as to the Cuban refuge for Communists from both China and Russia and a disaster in Panama.

During both World War I and II, cross country transport needs far exceeded capacity of the railroads and highways. What is called, the Port of Chicago, was a bottleneck. With California now our biggest state as to population and the mid-west industrial expansion especially as to the Calumet region and petroleum, chemical and steel making the problem is multiplied many times. The Detroit area with its industrial complex, probably is giving our military and economic people a real headache.

Since the advent of the United Nations, it seems that the larger nations have allowed themselves to be induced to give up a great deal in return for the presumed good will of the many newer and smaller nations. Now that military objectives are being achieved thru efforts of small, well organized, and experienced agitation teams, it is difficult to guess the exact outcome of the present Panama situation.

Recently there has been an increased amount of criticism of this country's trend toward reduction of military efforts. This expansion and contraction of our military capacity has been of rather a periodic nature. As Russia has been able to sell the idea of their desire for peace, our efforts have lessened and too often have had to be expanded quickly again. This contraction and expansion is very heavy

Sandburg Swimmers Do Well In Fast Company

By JOHN HELQUIST
Fresh from their 73-22 victory over Oak Lawn, the Sandburg swimmers kept on going by qualifying four in the Riverside-Brookfield invitational, Saturday, (Jan. 11).

The Riverside invitational is an annual varsity meet which attracts teams from all over the state. This year 28 teams were represented, making the affair the largest in the nation. The meet began at noon with the preliminaries in which two swimmers from each school, in each event, compete on a time basis. Qualifiers were in the finals that evening.

The first qualifier for Sandburg was Bob Hutchinson in the 50 yard free style. In the preliminaries Hutchinson's time of 23.6, Ron Stehner's time of 22.1, which is a new varsity record placed him fifth among the field. In the finals Hutchinson again finished fifth with a time of 23.6. Terry Brazel's time of 42.7.5 placed him sixth among the qualifiers in the 400-yard free style.

In the diving preliminaries Jeff Ferguson was in seventh place. Then on his final three dives Ferguson received some good scores and advanced to sixth place.

Besides these four, Sandburg had others in the top ten. Bob

WILLIAM F. WHITESIDE
COOK COUNTY FARM ADVISER

Tinley Park 532-4369
Culling low-profit cows from the dairy herd is probably the best way for dairymen to stretch a short winter hay supply. Feeding more grain may be another possibility. Hay will be in short supply in most parts of Illinois this winter, and prices are high.

Guernseys and Jerseys that are producing less than 5,000 pounds of milk a year should be candidates for slaughter to make more feed available for high producers in the herd. The same goes for Holsteins that are producing less than 7,000 pounds yearly.

One of the best ways to find low producers in the herd is for dairymen to cooperate in the Illinois Dairy Weigh-Day program sponsored by the University of Illinois. Dairymen throughout the state have received information about Dairy Weigh-Day in the mail. Those who take part in the program on Jan. 15 will receive an estimated lactation record for each of their cows. By participating in the Dairy Weigh-Day program on Jan. 15, a one-day effort may be turned into an everyday profit. The program comes at an ideal time to spot low-producing cows and send them to market. Canner and cutter prices are annually on the upswing from February to May. Fewer cows are sent to market during that period than at any other time of the year.

Dairymen who have culled low-profit cows from their herds and are still short on hay can substitute some grain for the roughage if prices permit. It pays to substitute hay in a ration when one pound of a grain mixture containing 700 pounds of ear corn and about 400 pounds of soybean meal costs less than two pounds of hay. However, cows must receive at least one-half to one pound of hay equivalent for every 100 pounds of body weight per day to maintain normal rumen functions.

If you have not already done so, now is the time to send in your enrollment for the Poultry Production & Management Workshops. These are well planned programs designed to furnish you with the latest research on our industrial capacity. President Johnson has recently created a commission to study shifts in military spending efforts on industrial stability.

Our enthusiasm as to business in 1964 must be tempered with fact that we have quite a number of labor contracts coming up for negotiation during the year and this Panama situation could change industry patterns considerably. There has been an industrial plant migration to the midwest and west, but the transportation system of highways has not moved as fast and in manner to create integrated and continuous patterns rather than segments of what will ultimately be a continuous and integrated pattern. Unfortunately history does not await our convenience.

Countryside News And Views

sults of research in the poultry business. More important, you will have an opportunity to have your own personal questions answered. For further information contact your Extension Service office at 6657 South st., Tinley Park.

Order your strawberry plants right away, if you haven't already done so. If you're a commercial grower ordering a large quantity or a home gardener wanting a certain variety, you'll have a better choice if you order now. Many nurserymen won't dig more plants than they are reasonably sure of selling. If you order late you may not get the kind of plants you want or you may get freshly dug plants rather than the preferred col-storage plants.

University of Illinois horticulturist C. C. Zych recommends using certified, virus-free plants. Be sure the plants

Hints For Homeowners

BY JAMES FIZZELL,
COOK COUNTY ASSOCIATE FARM ADVISOR

During winter many insect related pests take up residence in homes. Some of these may become permanent guests and may destroy clothing, food stuffs, carpets or the structure of the home itself. In this category are clothes moths, carpet beetles, roaches, larder beetles, meal moths, termites and others.

Some insects or their relatives do not harm but are annoying or frightening because of their presence. Spiders and clover mites fall into this class. Strict sanitation is the most effective means of preventing invasion by these pests into the home, and prevention of infestation is much easier than a cure.

But even the most well kept home can be invaded by one or more of the aforementioned pests.

Many times persistent treatment with the proper chemical will eliminate the pest. Occasionally, as in the case of termite invasion, it becomes necessary to call in an exterminator.

Normally, when a pest is discovered, it is no cause for alarm. Since most pests, even termites, take months or years to do serious damage, you have plenty of time to select a reliable exterminator.

Selecting a company may be difficult, since, as in other businesses, quality of workmanship varies between companies. There are a few that would rather make a "fast buck" than do a good job, but most companies give excellent service and are a true benefit to their community.

To guide you in selecting a dependable exterminating company, we offer these suggestions:

1. Do not accept as bona

L-W Will Have Two In State Music Festival

Lincoln-Way band member Carole Hammond and chorus member Michael Cullen have been chosen to participate in the Illinois Music Educators Association state music festival that will be held in Peoria, Jan. 24-25. The state festival was preceded by six district festivals held throughout the state during late fall in which approximately 3,600 high school musicians participated.

Following each district meeting an auditing committee recommended students for the state festival. The state festival band will have 125 members, and the state festival chorus will have 200 members. The band will be under the direction of guest conductor Clarence J. Shoemaker, nationally known band director; and the chorus will be conducted by George Krueger of Indiana university.

Local music directors of the participating students are Robert Taylor, band; and Tom Olson, vocal.

On the Tuesday preceding the Invitational the Eagle swimmers swamped Oak Lawn. In that meet Carl Sandburg placed first in every event except the 200-yard free style relay. Firsts in the free style events were recorded by Bob Hutchinson in the 200 yard free style, Harry Lemberg in the 50, Terry Brazel in 100 and George Ware in the 400. Doug Stoen won the individual medley, but in the 100 yard butterfly Stoen was beaten by Gary Schneider. Schneider was also a member of the winning medley relay team of Bill McNaughton, John Erickson, and Jim Meeder. Bill McNaughton and Chuck Compher also placed first. Bill beat all competitors in the 100 yard backstroke and Compher won the 100 yard breaststroke.

are free of red stele, root-knot nematodes and noxious weeds. You can get good plants from Arkansas, Maryland, Tennessee, Delaware and Michigan. Be sure to specify delivery dates on the order so that you'll have your plants early enough to set out as soon as weather permits. Planting dates vary a great deal from southern to northern Illinois. On a statewide basis, Zych recommends Pochontas, Earldawn, and Surecrop. In southern Illinois, Blakemore is still a favorite. Tennessee Beauty does well as a commercial and home garden variety in southern Illinois. But it's best for home use in the northern part of the state. For northern Illinois the midseason Catskill, the late-midseason Robinson, and the late-season Sparkle varieties are recommended. When buying strawberry plants, buy only from reputable growers and give them plenty of time on your order.

An excellent booklet is obtainable at your Farm Adviser's office, 6657 South st., Tinley. It is Circular 819 entitled Strawberry Growing in Illinois and is without charge.

hide, badges or pocket credentials from itinerant exterminators who solicit door-to-door business.

2. Check with your Better Business Bureau for reliable companies. If there are no exterminators in your community, check with the Better Business Bureau in the city where the company is located. Friends who have employed exterminators may also have helpful suggestions.

3. Get bids from two or more companies.

4. Ask the company representatives any questions you have about their methods.

5. Ask to be billed for the work. This will give you time to observe results. If company representatives demand payment before or immediately after they do the work, they may want your money so that they can "take off."

6. If you sign a contract, read the FINE print as well as the LARGE print. Be sure the company can back its work with retreatment if control is not satisfactory.

Eagle Matmen Will Take On Lincolnway Friday

BY RAY ATWELL

Last week-end's sport scene was highlighted by wrestling action from the Carl Sandburg matmen. The Eagles traveled to Reavis Friday night, but were quickly sent back home by the undefeated Rams who racked up a 28-11 victory. This gave Reavis an admirable 10-0 record for the season but moved Sandburg's conference total to one win against two losses.

The next day the Eagles hosted a quadrangular meet which Lockport, Pekin, and Granite City attended. The all day affair saw 48 individual matches take place while Granite City edged past CSHS 92-90, Pekin came in third with 83 points while Lockport finished last ringing up only 42.

Althou Sandburg lost, five of its wrestlers took first places. These champions included Roland Wolff, John Capodice, Larry Cobden - a junior, and the two Bulow brothers, Allen and Arron.

Other firsts were Lapenski, Bledsoe, and Forshoe of Granite City; Almone, Parker, and Osborn of Pekin; and Easley from Lockport.

This meet gave spectators a chance to watch some commendable high school wrestling without the handicap of having to wait any one squad to win. Tomorrow night (Jan. 17) Lincoln-Way will be at Sandburg to see what it can do about adding insult to the injured conference standings of the Eagles. This is the first of a six meet series that will finish the season for the CS grapp-

Dance Classes

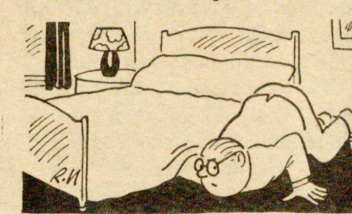

A new 10-week course in ballroom dancing for adults will begin Tuesday, Feb. 4 at the Southwest Suburban YMCA, 94th and Knox, Oak Lawn. The classes are sponsored by the Palos-Orland YMCA, 12332 So. Harlem Avenue, Palos Heights and are open to everyone, single adults, couples, "Y" members and non-members. Those enrolled will have fun meeting new friends and learning the latest dances under the direction of Nick Angelo. Mr. Angelo is well known as a Chicago dance teacher and trainer of dance contest winners.

THREE classes will be offered, beginners, intermediate and advanced, featuring the cha cha, fox trot, rock and roll, waltz, rumba, tango and samba.

For registration and further information one may call the Palos-Orland YMCA at Gibson 8-3888.

lers. Four of these meets will determine the final conference standings.

A final newsworthy item: a win last Friday night gave the sophomore Eagles a 9-1 record for the season and a 3-0 total in conference competition.

The movement of patients from the old hospital to the new is to take place Sunday, Jan. 26. The new hospital is on Madison st., west of Larkin ave.

REPORT BREAK-IN

A break-in was reported at the Westlund Wholesale Warehouse, 225 U.S. 45, Frankfort. Entry was gained Monday night or early Tuesday morning, according to Frankfort police chief, Francis Simon. Robert Westlund, owner, said he locked the place up at 5 o'clock. Entry was gained by forcible means. A couple of desks were ransacked but nothing was taken. There was no money in the office. The firm sells moulding to lumberyards and manufacturers.

Food And Dress Designing To Occupy Homemaker Units

Now that the holiday season is over, the Will County Homemakers Extension Association members are setting their goals toward educational views with renewed vigor. "Dress Design for the Homemaker" and "Why meats Behave as They Do" are topics of lessons for members during the first two months of 1964. The home adviser and assistant home adviser will present the information on dress design to half the units during January and the other half during February. Local leaders will conduct the meetings on meats, reversing the order of presentation of the dress design material. The local leaders have been trained on "Why Meats Behave as They Do" by a University of Ill. specialist. The local leaders will demonstrate different methods of preparing various kinds of meats to secure the best results in reducing the loss thru shrinkage and retaining vitamin and other nutritional content. Mrs. Marianne Carnahan and Miss Sharon Iberg, home adviser and assistant home adviser, respectively, will describe how to have becoming clothes and discuss the need for proportion, balance and harmony in apparel.

The Will County Homemakers Extension Association also have two craft day programs which promise to be of special interest this month.

Hooked rugs will be the activity on Friday, Jan. 17 and hat-making will be in progress on Friday, Jan. 24.

NOTICE OF CLAIM DAY
 NOTICE is hereby given to all persons that Monday, January 6, 1964 is the claim date in the estate of Elizabeth Lauffer deceased, pending in the Probate Court of Will County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons.

Ernie Is An All-American
--On Or Off The Field

BY MARVIN MILLER
Just ten years ago a fledgling Southwest Suburban Conference played its first full schedule of football games. Today it boasts an All-American halfback in the person of Ernie Sharpe of Carl Sandburg High School in Orland Park.

Assign Cagers To Regional Tourneys

Tuesday the Illinois High School Association announced the assignments of schools to the District and Regional tournaments for the 1964 State Championship series.
District games begin Feb. 24 and the Regionals, March 2. Pairings and playing schedules will be released about Jan. 31.

something" which is the mark of a top athlete. Herman L. Maslin, sports editor for the 19 Scholastic publications, said, "We like to think that we are giving these young men their first taste of national fame."

On the field, Sharpe is a potential explosion. Every time he gets hold of the ball, fans tense for the fireworks. Beginning as a sophomore, he blazed his way to three all-conference and two all-state teams. Along the way he gained 2,652 yards rushing and scored a total of 305 points. In addition he kicked the extra points for the Eagles, passed, and played a bone-crushing defense.

At the close of this season, he was named recipient of the 1963 Fielding H. Yost Memorial Award given by the University of Michigan Club of Chicago to "Chicago's outstanding scholar-athlete."

Sharpe recognizes the help he has had from the Sandburg coaching staff. He credits Devine with helping develop the

"right mental attitude" among his players. Dan Wile, back coach at Sandburg last year, was "the kind of coach who made you want to work," Sharpe said. "He knew when you were working and when you were loafing."

Sharpe decided early that he wanted to play football. In the first grade, he decided that he wanted to make All-State and go on to play with the Chicago Bears. "That's changed now," he added. "If I were to play pro-ball today, I would prefer to be with the (Green Bay) Packers or the (New York) Giants."

Selling Tickets For Soil Conservation Dist. Dinner

Tickets are now being sold for the annual dinner meeting of the Will-South Soil and Water Conservation District, to be held Wednesday, Jan. 22 at 6:30 p.m. in Fireman's hall at Elwood, with the Will County Sportsman's Clubs co-sponsoring the event.

Purdue University, Dr. Anderson has taught in the university and in Indiana public schools and also spent two years working in industry with the American Dairies of Kansas City, Mo.

Arbury Hills

Kindergarten Receives Good News Twice

MRS. EDWARD HOVI
Telephone: 479-5740

The Arbury Hills kindergarten organization will hold their January meeting at the school on next Tuesday, Jan. 21, at 8:30 p.m. The hostess will be Mrs. Robert Burdett.

The kindergarten organization received good news twice within a short span of time. The organization was notified by the state of Illinois Department of Mental Health in Chicago, that, due to the excellent facilities available for the kindergarten class at the school, the organization would be licensed for 25 students.

Their second piece of good news was given to them by the board of education of District 161. A motion was made at the meeting by Walter Plumly, and I quote from the minutes of the meeting, "that the board approve a kindergarten on a one-half day basis, not a part of the school program, from September 1964 to June 1965--the one-half day usage by the kindergarten to be determined by the superintendent. . . rather than

a full-time publicly supported program, because it is felt that the room is needed four hours a day to cover activities for grades one thru eight. . . this program to be terminated at any time by the superintendent when and if the room is needed for additional classrooms for grades one through eight." The motion was seconded by Robert Dickerson. The motion was carried with a vote of four ayes to two nays with one member absent.

Congratulations kindergarten organization! You have worked hard and long to make a kindergarten a reality in our community. Your diligence is recognized and your kindergarten will have another year of continuance.

The Bingo club which was to have met Jan. 14 at the home of Mrs. Richard Hendrickson, has postponed the meeting until Tuesday, Jan. 28, at 8:00 p.m. The meeting place will remain the same. Mrs. Hendrickson's address is 19502 Catulpa.

The fashion show, Prelude to Spring, being sponsored by the Altar and Rosary Society of St. Mary's church of Mokena, will be held at the Prestwick Country club, on Harlem Avenue, south of Route 30. The date of the affair is Wednesday, Feb. 5, at 8:00 p.m.

The models for the show will consist entirely of women in the parish. In addition to Mrs. Loyd Sprinkle and Mrs. Robert Burdett, who were announced as models last week in this column, one more from Arbury Hills has been chosen to participate, Mrs. William Roach.

Tickets for the fashion show may be obtained from Mrs. Nick Wyzevich of 9519 West Elm Ave, telephone 479-5986, who is in

charge ticket sales in Arbury Hills. The cost of a ticket is \$1.50 per person including the fashion show and refreshments.

The Arbury Hills Civic Association met at the school on Tuesday evening, Jan. 7. It is a pity that there is such a lack of interest in this community, as a whole, that a quorum of fourteen could not be met in order that a formal meeting could be held.

The chairman of the nominations committee, however, stated that much progress was being made by the nominations committee towards the completion of a slate to be presented to the membership at the nominations meeting scheduled to be held at the school on Feb. 4. Unless there is a quorum present for this election meeting the elections for the upcoming year cannot be held. It is up to YOU. The civic association was established in this community in order to have an organization to represent everyone. It cannot continue effectively without some measure of cooperation from the community.

The First Nighters held their postponed meeting at the home of Mrs. Richard Heim of 9431 West Hickory st. The meeting was to have been held on Thursday, Jan. 2, but was rescheduled for Thursday, Jan. 9 instead. Mrs. Robert Dickerson the fortunate winner of the hostesses prize for the evening, and the hostess for the meeting in February will be Mrs. Faye Erkmann of 19320 South Beechwood Drive, on Thursday, February 6, at 8:00 p.m.

Arbury Hills as a whole wishes to thank the thoughtfulness of Gene Livingston of 9401 West Magnolia who salted the Willow Lane entrance during the last spell of bad weather and bad roads. It certainly helped to be able to stop without danger to life and limb.

Ann and George White of 19559 South Beechwood Drive became the parents of their fifth child on Jan. 6, at Silver Cross hospital in Joliet. The not-so-little new daughter for the White family weighed eight pounds eight ounces at birth.

There are four older children in the household, two boys and two girls, are being mama's helpers so-called. They are Anna Marie, nine; Merry Lynn, eight; George, Jr., five; Kevin, fourteen months and now Kelly Jean, the newcomer.

The Summit Hill Boy Scout Troop Number 10 held their regular monthly camp out last week end at Boy Scout Camp Morris at the Pine Lodge. The boys drove down with their leader Dan Markowski on Friday evening and returned home on Sunday.

The Summit Hill Parent-Teacher Group held their January meeting at the school on

New Lenox

March Of Dimes Fund Campaign Gets Started

BY MRS. JOSEPH WAJCHERT
Telephone 485-6237

Plans for the annual March of Dimes campaign got underway at an initial meeting held Jan. 8 at the home of Mrs. Herbert Nelson. Mr. and Mrs. John Oster are general chairmen of the fund-raising drive, and their committee consists of Mrs. Herbert Nelson, telephone 485-8569, Mrs. Demarie Buckler, 485-8033, and Mrs. Art Rowsell at 485-8173.

Workers are needed to assist in calling on residents in this march on polio. Anyone who is willing to do so is asked to call one of the above committee-men and volunteer their services. The drive will begin on Jan. 22 and end on Jan. 28. Mrs. E.F. Peters and Mrs. L. E. Frey are also assisting.

Mr. and Mrs. John Guilden-zoph and son Allen motored to Hollywood, Fla., for a mid-winter vacation after the Christmas holidays. They spent several days at Miami visiting with their daughter Beverly, who had flown there previously to have a reunion with Mr. and Mrs. Lars Magnusson and family, of Gothenburg, Sweden. Beverly had lived with the Magnussons in Sweden as a foreign exchange student. As well as enjoying their visit with the Swedish family, the Guilden-zophs were joined by several friends from home who were also vacationing there; namely, Mr. and Mrs. Harlow Jensen and Mr. and Mrs. Earl Moss of New Lenox, Mr. and Mrs. Merritt Cagwin of Lockport, and Mr. and Mrs. Ervin Friant of Frankfort and their respective families.

Mr. and Mrs. L.E. Frey motored to the southwest for a two-week vacation over the Christmas holidays. They visited the White Sands National Monument at Almgordo, New Mexico, toured the old missions at Tucson and enjoyed seeing picturesque "Old Tucson", which has been the set-

last Thursday evening, January 9. There was a round table discussion on the topic of the "Place of Television Education in Our School."

Supt. H. James Wrath, gave a talk on the subject and followed it up as moderator of the panel consisting of three of the teachers, Mrs. Gibbs, fourth grade; Mr. McCarthy, seventh grade; and Miss Anderson, first grade. Mr. Wrath questioned the panel on their views on the subject and asked for the questions of the audience. It proved to be an enlightening discussion for all present.

ting for many western films. They also visited Boot Hill Cemetery with its famous tombstones, the various ghost towns and mines, the petrified forest and the painted desert, as well as many other historic frontier towns throughout Arizona and New Mexico.

Mr. and Mrs. Roy Pfeifer and children, Dennis, Barry and Coleen have returned home from vacationing in St. Petersburg, Fla. They enjoyed a New Year's day visit with the Verne Kammerer family, former residents of New Lenox, and toured the beautiful Cypress Gardens.

St. Jude's Parents Club will sponsor four fish fries in the coming months. The dates are Feb. 14, Feb. 28, March 13 and April 10. Serving will be in the school hall from 5 p.m. to 8 p.m. Lake perch will be served at all the dinners. The prices are adults \$1.10 and children 70¢, and this includes all you can eat. Carry-out dinners will also be available.

The Parents Club of St. Jude's school held their monthly meeting Jan. 9 at 8 o'clock. The Joliet Park District Chorus, under the direction of Art Eneix entertained. The chorus has made appearances on radio and television. In December the group presented Handel's Messiah on WJOL. They have won the Governor's Trophy several times and also did the background music in a movie for

Marley

Travelog Is Given For Woman's Club

MRS. VIRGINIA SASS
Telephone: 485-644

The Marley Woman's Club met on Thursday afternoon, Jan. 9 at the home of Mrs. Loren Sass. Mrs. William Schwab was the assisting hostess. Dessert-coffee preceded the meeting served from a table covered with a turquoise linen cloth and appointed with a violet arrangement in antique purple slag holders. The program was a travelog on the Black Hills, Yellowstone, Glacier National Parks and the Canadian Rockies, presented by Loren Sass.

Communications of appreciation were read from patients at the Will County TB Sanatorium for Christmas gifts sent to them from the club. The club is presently continuing to furnish cookies each week for

the Farm Bureau. This Spring the chorus will sing at the flower show held in McCormick Place, Chicago.

Refreshments were served by the fourth grade mothers, with Mrs. Loretta Smith as chairman.

Mr. and Mrs. Harlow Jensen and sons Jim and Jerry have returned home from Hollywood, Fla., where they enjoyed a vacation. They also spent a few days at St. Petersburg visiting with Mr. Jensen's aunt, Louise Scherpe. They enjoyed a visit with Mrs. Jensen's uncle, Fred Heisner at Miami, where they attended the Orange Bowl game.

The "Nazarene Knights" Sunday school class of the Church of the Nazarene at New Lenox held a combination party and annual class election on Saturday night at the home of Harry Gilbert, their teacher. The class is composed of young people of high school age and up. Those in attendance were: Andy Garish, Ron Harrison, Christine Neels, Marjorie Knowls, Donna Martin, Kathy Martin, and Eleanor Pester of New Lenox; Bradley Gilbert of Mokena; and Connie Gluck and Sue Loucks of Joliet.

Electing were: Tom Baldwin, president; Connie Gluck, vice president; Joann Hicks, secretary; and Ron Harrison, treasurer.

As their next activity, the class plans to have a hay ride in a covered wagon. The date for the event has not been set as yet.

An invitation is extended to any young person of this age group to join the class. They meet at 9:45 each Sunday morning at the Church of the Nazarene, located at the corner of Cedar Road and Wood street, New Lenox.

the Easter Seal Center on Jackson st. in Joliet.

The hostesses for February will be Mrs. Henry Volz and Mrs. Otto Moravec. There will be a Valentine handkerchief exchange at this meeting.

Mrs. Charles Dale underwent thyroid surgery on Jan. 10 in St. Elizabeth Hospital in Danville, Ill.

Henry A. Smith of Minooka, son-in-law of Mr. James Frazer, is a surgical patient at Mayo Brother's Clinic, Rochester, Minn.

Louis F. Sass returned home on Saturday from Plainfield, N. J., where he spent two weeks with his son and family, the Charles Sasses.

Orland Park

Dakota Wesleyan Choir To Give Concert Jan. 24

MRS. LILLIAN KNOX

The Dakota Wesleyan university Choir will give a concert at the Methodist church, Friday evening, Jan. 24, at 8 o'clock.

The power, precision and dramatics of this choir have won it wide recognition. An Orland Park girl, Kathy Doogan, daughter of Mr. and Mrs. Melvin Doogan, is a member of this choir. After appearing in Orland, the choir will go to Boston, New York and other eastern cities. There are 28 girls and 18 boys in the group. The choir has appeared in Orland several times in the past.

A free will offering at the service will apply to their transportation. About 50 students are expected to be here.

The ladies auxiliary to the firemen will meet Monday evening, Jan. 20 at 8 p.m. in the Fire Hall on Beacon Ave. Following the business session, Reta Garrett and Lois Garmon will serve refreshments. Members urged to attend.

The Methodist Men's club will serve their monthly breakfast, Sunday, Jan. 19 at 8:15 a.m. in the church dining hall. All men of the church are invited.

An executive board meeting of the Woman's Society of Christian Service of the Methodist Church, will be held Monday, Jan. 20 at 1:30 p.m. in the church.

Tuesday evening, Jan. 21, the regular monthly meeting of the WSCS will be called to order at 7:45 p.m. Members of the circles are invited to attend.

Mr. and Mrs. William Dale Newton, 15138 Hilltop Dr. are the parents of a baby boy born Dec. 31 at Silver Cross hospital. He has been named John Dale.

The regular meeting of the Orland Home Extension unit will be held Friday evening, Jan. 17, in Wesley Hall at 8 o'clock. The lesson "The Family Shares Its Money Management at Decision" will be given by Mrs. Claradell Upham, home adviser.

The mid-winter meeting of the Third District, L.F.W.C. will be held at Ridge Park Fieldhouse, Longwood Drive at 95th St., Thursday, Jan. 30. The meeting will be called to order at 10:15 a.m. At

Lincoln Estates

Robert Wheelers Entertain Relatives On New Year's

MRS. EMIL WILLE
Telephone: 469-5277
Mr. and Mrs. Robert Wheeler entertained about sixty relatives and friends at a New Year's Eve party in their home.

Mr. and Mrs. William Frankenberg and daughters attended a New Year's Eve party at the home of Mr. and Mrs. Art Thompson at Frankfort. Other Lincoln Estate residents attending the party were Mr. and Mrs. Cal Heath Jr., Mr. and Mrs. Stanley Balsie, Mr. and Mrs. Glenn Coburn and Mr. and Mrs. Frank Folisi.

Letters To The Editor

WE APPRECIATE THIS Dear Sir: During the year 1963, which was our 75th Anniversary year, you gave to us, much publicity and co-operation. This indeed was most pleasing and made for a most successful anniversary. All of our services pertaining to this event were well attended and we believe a good portion of this credit should be yours.

Therefore, may I, speaking for the Congregation of Christ Evangelical Lutheran Church of Orland Park, thank you very, very much.

We extend to you a most Happy, Prosperous and Blessed New Year.

Sincerely yours, Louis M. Quast 12910 S. 104th Ave. Palos Park, Ill.

FOR GOLDWATER

Dear Sir: The very controversial Foreign Aid Bill, which was a "double-barreled" package, was passed by a group of most unhappy congressmen on Dec. 24. In order to get it passed by year's end -- the President recalled house members from their homes where they had gone for the holidays. Several, who were definitely agreeable to his views, were flown back to Washington in chartered planes. Those, whom he knew to be against his "pet" bill, returned by any means available. The vote was 189 FOR and 158 AGAINST.

The victory for the ex-school teacher, who disciplined the boys, was probably saved from another heart attack. He is known to become very upset when he doesn't get to play "first base" or "to pitch" whenever he likes.

The President did not need the 3 Billions of cash to send the Foreign Aid program. There was on June 30, 1963, over 7 1/2 Billions of unspent appropriations on hand. The real reasons, for his wanting immediate action were three fold.

First: He wanted to impress upon congress that he was BOSS.

Second: He was desirous of getting the authority to "Underwrite Communism" as he should see fit. To sell wheat to the Soviets, on credit which amounts to a gift. Russia does not keep agreements nor pay her debts.

Third: The other Amendment allows him to handle certain federal property without the consent of congress. Specifically mentioned was Panama Canal Company holdings.

Isn't it rather a coincidence that riots developed and a severance of diplomatic relations occurred on Jan. 10, in Panama? With his newly gained power -- Johnson can agree to anything which the "Communist inspired" leaders may demand. They want this matter to be handled by the "Communist dominated" United Nations and

citizens do not know the A-B-C's of their own town's government, nor how enormously it affects their every-day life, we have planned this community orientation" states Mrs. Anthony Zakaras, voters' service chairman of the Palos - Orland League. "We hope that in the next months more residents of the Palos-Orland area will be referring to their local government as "WE" rather than "THEY" ", she adds.

The League of Women Voters is an organization that takes action, after study, on governmental measures and policies in the public interest. It does not support or oppose any political

Patriotically, Henry W. Hicks 11301 W. 155th St. Orland Park, Ill.

LWV CITES AIMS

Dear Sir: A campaign designed to stimulate citizen interest in local government has been announced by the Palos-Orland League of Women Voters. Scheduled in the upcoming months are articles in local newspapers describing basic governmental functions, League meetings on planning areas of government, and structure of township. Also in the plans are "Meet your Officials" sessions, an orientation type hour preceding the regularly scheduled meetings of local governing bodies, with the officials present to be introduced and to explain their duties. Citizens will be invited to attend, then stay if possible for the regular council or board session. Feb. 11th has been set for the visit with the Palos Heights' Council.

"Feeling that too many

Will County Auto Deaths Total 48 In Past Year

The number of automobile fatalities in all of Will county last year came to 48, or three less than the 51 total for 1962, according to figures compiled by Coroner Willard G. Blood.

Of the 48 persons killed or fatally injured in 1963 15 deaths occurred in accidents in which only one car was involved. Fifteen others were killed or fatally injured in accidents involving two cars; five in three-car crashes and five of the dead were pedestrians. Six persons died in accidents involving automobiles and trains and two were killed in motorcycle crashes.

Speed was a factor in all types of accidents, the coroner said, especially among those in which only one car was involved. In most instances, the evidence revealed the driver was going too fast to retain control of the vehicle.

It was estimated that the number of accidents in the county for 1963 would exceed 5,000 but the number of injured will remain around the 1,000 mark when all the figures are in. There were 1,029 injured in 1962.

The number killed last year is not as small as in 1960 and 1961, the coroner's records show. The number of fatalities in each of those two years was 41. There have been years,

however, when the deaths have exceeded 60.

The coroner made 148 investigations last year and conducted inquests in 125 of them. The records show the number of homicides last year was five, which is above the average of three for Will county over a long period of time; the number of suicides, 21, was around average. There were seven accidental drownings and four accidental electrocutions; one fatal farm accident and one death involving a tractor. Two

party or candidate, but it encourages its members to participate as individuals in the party of their choice. In the voters' service area, members work to inform the public about registration, voting procedures, voting turn-out, information on candidates, and seek to promote an understanding of all forms of government.

Open House At New St. Joseph Hospital In Joliet Has Been Set For Jan. 18 and 19

The new multi-million dollar 9-story, 426-bed St. Joseph hospital nearing completion on Joliet's west side will be open for public inspection on Jan. 18 and 19. The hospital is located at Madison and Glenwood ave., west of Larkin ave.

The institution will not be put to use, however, until Jan. 26 when, if the weather permits, the patients will be transferred from the present hospital.

According to Sister M. Theresa, administrator of the hospital, this moving day operation is scheduled to begin at 7 a.m. and probably will take all day. Each patient, accompanied by a nurse, will be transported by private ambulance to the new hospital. Before they leave the patients will be checked by a team of doctors while another team will be at the new hospital to check them again on arrival. Patients too ill to be moved will be retained in the present hospital in a section designated as an intensive care unit.

Dr. Theodore Z. Polley, president elect of the medical staff, will be in charge of the transfer.

The new hospital is basically "T" shaped with two wings, one housing all the specialty departments of x-ray, emergency facilities, surgery, obstetrical facilities and physical and occupational therapy. The other wing will constitute a convent for living accommodations of the nuns from the Order of the Franciscan Sisters of the Sacred Heart who operate the hospital.

Eight elevators and separate entrances each for patients, visitors, emergencies and employees are the basis for controlled traffic patterns. Direct access to storage areas facilitate medical records and the pharmacy. Unexcelled facilities are provided in radiology, surgery, laboratory, physical therapy and obstetrics.

Highly specialized nursing care facilities are provided in the areas, such as intensive care, medical-surgical, extended care for long term patients, pediatrics and the nursery.

A pneumatic tube system, designed to transfer such things as supplies, prescriptions and laboratory specimens from one department to another, is an integral part of the specialized hospital equipment.

The latest in food service will provide patients with food at its appetizing best.

A concern for patients' comfort is evident in the installation of a complete air-conditioning system, attractively decorated rooms and solariums. Beds that are electrically operated are provided for the patients rooms.

The first St. Joseph hospital was founded 80 years ago and has kept steady pace with the growth of the community. As a matter of fact it was 83 years ago that three Franciscan sisters arrived in Joliet to aid in the care of the sick of the small city.

In 1881 and 1882 typhoid and smallpox struck the area and the Sisters were kept busy going from house to house nursing the afflicted and also caring for those who were quarantined in an old farm house outside the city.

Grateful citizens made a collection and presented the Sisters with \$600 as a token of appreciation for their service. That was in 1882 and the Sisters used the money to buy a two-story structure that had been built in 1865. The Sisters remodeled this convent building to serve as a hospital and that was the beginning of St. Joseph's.

Between 1895 and 1915 Joliet was caught up in the industrial growth that had gripped the nation. To meet the needs of industry and the increasing population the first floors of the middle, north and south side buildings of the present hospital were erected. Central heating was installed, as well as power and laundry facilities.

The school of nursing was launched in 1920 and four years later a home for students and nurses was built.

Between 1927 and 1938 additional stories were added to existing buildings; extensive interior alterations made; the maternity department was enlarged, and a new operating room and x-ray department added.

A new pediatric department was instituted in 1938. Four years later a 38-bed east wing was built in an effort to keep up with demands on the hospital.

By 1950 it was agreed that a new large hospital, effected on a site that would provide ample parking as well as room for future expansion, must be built.

Between 1955 and 1957 St. Joseph hospital received a grant of \$184,500 and a new building site was purchased for \$72,000.

In 1957 an initial campaign was conducted to raise money for the proposed new hospital, the first major public appeal the Sisters had made in 77 years.

On May 14, 1961 ground was broken for the hospital that is to be opened in January. Since then countless hours have been put in on the planning and development of the project that is costing some \$9-million. Community spirit, enthusiasm and financial support were joined with financial assistance from Hill-Burton, grants from industry and

the underlying financial burden assumed by the Sisters to produce an effort that has resulted in the new St. Joseph hospital.

The new hospital is designed to serve a continuously expanding community and bring Joliet a medical facility second to none.

HOMER NEWS

BY ELIZABETH ANDERSON

The school club of 33-C will meet Thursday, Jan. 16 at 8 p.m. for the monthly session. The guest speaker will be Charles Besema, math instructor at Lockport high, whose subject will be "Teaching Modern Mathematics". Refreshments will be served.

At a recent meeting of the Will county zoning board held at Homer town hall, Monday, Jan. 12, the board recommended that a part of the soon-to-be-built club house on 143rd st., be zoned for B-2, which will permit the sale of liquor there. The building will be erected on the foundation of the club-house on the former Kinsman Golf course, which was destroyed by fire several years ago. The name has been changed to Paradise Valley Country Club, a semi-private club, according to Roy P. Clark of Oak Lawn, the contract-purchaser, who will revamp the course.

The Tri-township Young Republicans club will meet at Homer town hall Monday, Jan. 20 at 8 p.m. New officers will be elected and all Republicans are urged to attend.

James Hall of Plainfield, who is a candidate for clerk of the Circuit Court, and a past president of Will Co. Young Republicans, will be the main speaker. He will discuss the details of organizing a precinct.

The Pilgrim Fellowship group of Homer church will be hosts to the United Protestant Youth of the Lockport area on Sunday, Jan. 26 from 2 to 5 p.m.

John Hollister, Sr. of Gougar rd., underwent lung surgery at St. Luke's hospital, Chicago, last Monday. He expects to return to Sunny Hill Sanitarium within a week.

Ralph Burch and Mr. and Mrs. Earl Woodbury and daughter Laura, of Wisconsin, visited relatives and friends here a few days last week. They left for home Thursday evening.

Clarence G. Rowley accompanied the LaVerne Kaspers to Redlands, Calif., when they returned home from a few days visit here.

Mr. and Mrs. Leonard Kramerich of Parker rd. are the parents of a son born Dec. 27 at Silver Cross hospital.

Robert Shepherd, Sr. has returned to his home on Bruce rd. after being hospitalized at Silver Cross for medical treatment. He is somewhat improved in health.

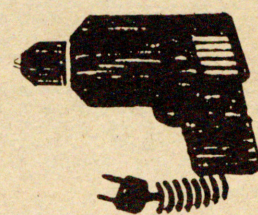

Mr. and Mrs. Jack Harper of Worth are announcing the engagement of their daughter, Carol, to Clare E. Bump, son of the George Bumps of 159th st. Carol is a graduate of Eisenhower high school and Clare of

Lockport high. A September wedding is being planned.

Mr. and Mrs. William Lindemann, Rte. 7, entertained her aunt and uncle, the Charles Sieverts of Bruce rd., at dinner last Sunday.

Mrs. Charles Elliott, Bruce rd., was hostess to her card club, The Twelve Trumps, Tuesday evening of this week.

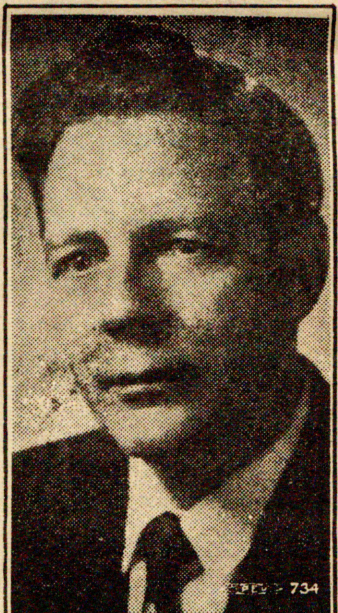

Mrs. Emma Taeschler, 82, who died suddenly at her home in Lockport on Sunday, Jan. 5, was the last living member in a family of eight children, whose parents, Mr. and Mrs. Louis Bockholdt, Sr. formerly lived on the present Bruce Anderson farm. The deceased, as well as her brothers and sisters, attended Hadley school. The family moved to Lockport when the children were near adults.
